## WELCOME MESSAGE

It is our privilege to formally announce the NEUROTRAUMA 2026 National Conference, scheduled to be held in Hyderabad from August 7th to 9th, 2026. This prestigious academic gathering will focus on critical issues related to brain and spine neurotrauma, bringing together leading experts, practitioners, and researchers from across the country and beyond.

As part of the conference, we are pleased to offer a Comprehensive Hands-on Workshop, designed to enhance surgical skills and clinical precision. The Hands-on sessions will include CV Junction Surgery, Lateral Mass Screw Placement, Pedicular Screw Placement, Percutaneous Pedicle Fixation and Navigation-Guided Screw Placement.

In addition, our CME Symposiums will address pivotal topics in neurotrauma care, including: Chronic Subdural Hematoma, Traumatic Brain Injury (TBI) Sequelae, Pediatric Head Injury, Artificial Intelligence in Neurotrauma, Neurocritical Care, Neuro-Rehabilitative Care and Spine Injury Management.

We are also proud to announce a collaborative initiative with the Malaysian Neurosurgical Society, fostering international exchange and academic enrichment.

An enriching scientific program awaits you, thoughtfully curated to reflect the latest advancements in neurotrauma care. Alongside, we've planned vibrant cultural evenings and entertainment to make your experience truly memorable.

We look forward to hosting you and sharing the warmth and hospitality of Hyderabad.
