

Annual Conference of Neurotrauma Society of India

**Theme: From Injury to Artificial Intelligence
Redefining Neurotrauma Care**

Conference: 7th - 8th August 2026, The Park Hotel, Hyderabad

Workshop: 9th August 2026, KIMS Hospitals, Secunderabad

WELCOME MESSAGE

Dear Colleagues,

It is with immense pleasure that I welcome you to the **34th Annual Conference of the Neurotrauma Society of India (NEUROTRAUMA 2026)** in the dynamic city of Hyderabad.

Over the past three decades, the Neurotrauma Society of India has remained steadfast in its mission to advance the science and practice of neurotrauma through excellence in patient care, education, research, and collaboration. Our annual conference continues to serve as the premier national platform where clinicians, researchers, educators, and trainees come together to exchange knowledge, challenge existing paradigms, and shape the future of Neurotrauma.

The theme of this conference reflects our collective commitment to innovation, evidence-based practice, and multidisciplinary teamwork. The scientific programme has been thoughtfully designed to address contemporary challenges in traumatic brain and spinal cord injury, featuring eminent national and international experts, interactive discussions, hands-on workshops, and cutting-edge research presentations.

As we gather in Hyderabad, I encourage each one of you to actively engage in the academic sessions, share your experiences, foster new collaborations, and inspire the next generation of neurosurgeons and neurotrauma specialists. Together, we can continue to improve the quality of care and outcomes for patients affected by neurotrauma.

I congratulate the Organizing Chairman, Organizing Secretary, and the entire Local Organizing Committee for their outstanding dedication and meticulous planning in hosting this prestigious conference. Their commitment has laid the foundation for what promises to be an exceptional scientific and professional gathering.

I extend my warmest welcome to all delegates, faculty members, postgraduate trainees, nursing professionals, allied healthcare personnel, and our industry partners. I wish you a productive conference, meaningful interactions, and a memorable stay in Hyderabad.

I wish **NEUROTRAUMA 2026** every success.

With warm regards,

Dr. Sumiet Snha
President
Neurotrauma Society of India (NTSI)

WELCOME MESSAGE

Dear Colleagues and Friends,

It is a privilege and a great pleasure to welcome you to the **34th Annual Conference of the Neurotrauma Society of India (NEUROTRAUMA 2026)** in the historic city of Hyderabad.

The annual conference of NTSI is more than a scientific meeting, it is a celebration of our shared commitment to advancing neurotrauma care through innovation, collaboration, education, and research. As the burden of traumatic brain and spinal injuries continues to grow, our responsibility to deliver evidence-based, patient-centered care has never been greater.

The Organizing Committee has curated a comprehensive scientific programme featuring distinguished national and international faculty, state-of-the-art lectures, interactive panel discussions, hands-on workshops, free paper sessions, and opportunities for young neurosurgeons and researchers to present their work. I am confident that the exchange of knowledge and experience during these three days will inspire new ideas, strengthen collaborations, and ultimately improve outcomes for our patients.

I extend my sincere appreciation to the Organizing Chairman, Organizing Secretary, and the entire Local Organizing Committee for their dedication and tireless efforts in making this conference a reality.

I warmly welcome all delegates, faculty members, postgraduate trainees, nurses, and industry partners to **NEUROTRAUMA 2026**. May your time in Hyderabad be academically enriching, professionally rewarding, and personally memorable.

I wish the conference every success.

With warm regards,

Dr. Deepak Kumar Singh
Honorary Secretary
Neurotrauma Society of India (NTSI)

MESSAGE FROM ORGANISING COMMITTEE

Dear Colleagues and Friends,

It is with immense pleasure and great pride that we welcome you to the **34th Annual Conference of the Neurotrauma Society of India (Neurotrauma 2026)** in the vibrant city of **Hyderabad**.

On behalf of the **Organising Committee**, we extend our warmest greetings to our distinguished faculty, honoured guests, delegates, researchers, residents, nursing professionals, industry partners, and colleagues from across India and beyond.

Neurotrauma demands precision, innovation, teamwork, and an unwavering commitment to excellence. As our field continues to evolve, so too must our collective pursuit of knowledge, collaboration, and better patient outcomes. **Neurotrauma 2026** has been envisioned as a platform where science meets experience, ideas inspire innovation, and collaboration shapes the future of neurotrauma care.

Our scientific programme has been thoughtfully curated to bring together renowned experts and emerging leaders through keynote lectures, panel discussions, hands-on workshops, scientific presentations, and interactive sessions. We hope these discussions will enrich knowledge, foster lasting professional relationships, and inspire new avenues of research and clinical excellence.

Beyond the academic sessions, we invite you to experience the warmth, culture, and hospitality of Hyderabad a city where history, tradition, and modern innovation come together in harmony.

This conference is the result of the dedication, commitment, and teamwork of countless individuals. We express our sincere gratitude to the Executive Committee of the Neurotrauma Society of India, our esteemed faculty, sponsors, industry partners, volunteers, and every member of the Local Organising Committee whose collective efforts have made this conference possible.

As we come together with a shared vision of advancing neurotrauma care, let us reaffirm our commitment to scientific excellence, meaningful collaboration, compassionate patient care, and the pursuit of innovation that ultimately transforms lives.

We look forward to welcoming you to **Hyderabad** and wish you an intellectually stimulating, professionally rewarding, and truly memorable conference.

Welcome to Neurotrauma 2026.

Advancing Science. Inspiring Collaboration. Transforming Neurotrauma Care.
